

Parish Pastoral Council Way of Proceeding – revision of Article IX

ARTICLE IX COMMISSIONS

The program and goals undertaken by the Council shall be reflected through the Parish's Commissions. These Commissions shall be concerned with the implementation of the Parish Mission Statement.

Commissions consist of committees and ministries. Membership on these committees and ministries shall consist of parishioner ambassadors as well as others appointed by the pastor or pastoral staff. Any registered member or employee of Resurrection Parish may become a member of any committee by contacting the Parish office.

Each year the chairperson of each committee or ministry shall provide a roster of members to the Council's Secretary as a matter of record.

Each committee shall establish its operating procedures and discern its chairperson and other positions that it decided are necessary.

Council is available to serve as an advisory board for the committees and ministries. As such, Council may invite committees and ministries to make a presentation to Council that reviews its activities, accomplishments and proposed next actions.
